

Disappearance of the Outside

**Edmonton, Alberta,
in the time of COVID-19**

2020

October

Butterdome area

Rogers Place

Lesley Battler

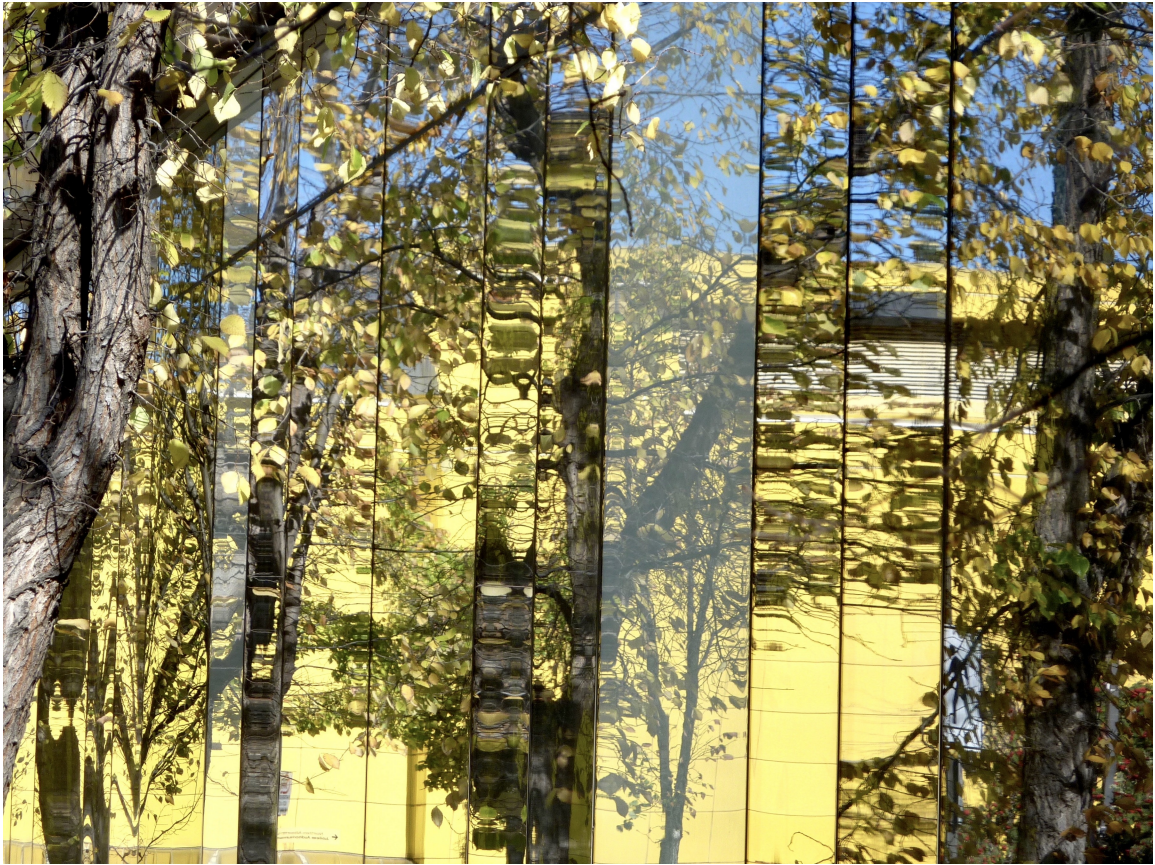

Butterdome area

inaugural event of a new era

between one age and the next

a selection of beginnings and endings

unveiling the secret doctrine

living in two eras at once

fracturing epoch

precarious opportunity

terra so suddenly incognita

period of unusual discomfort

Rogers Place

reptilian stare

authoritarian society

disappearing access

contiguous and shifting

neighbourhood in transition

LLETOH

unmoored

disruptions of custom

Ellis Don godzilla

cargo crossing worlds

along the seam between worlds

narratives collapse
